Room Deodorant Pro

23269
Room Deodorant Citrus

OdorGo™ Room Deodorant is a water-based odor control product that is effective in a wide range of situations. When applied with a spraymaker, it is designed to offer quick “knock-down” of mal-odors so technicians can begin to work sooner in the environment. The Stock Solution of OdorGo™ Room Deodorant can also be added to other cleaning solutions for added odor control.

OdorGo™ Room Deodorant is available in two fragrances: Pro (cinnamon / spice fragrance) and Citrus.

Features and Benefits:

- Can be added to other cleaning solutions (more info below)
- Can be applied with a spraymaker for odor control in small areas
- Economical – one pint makes one gallon of Stock Solution
- Stock Solution used as low as 2 Ounces per Gallon

DILUTION RATE: 16 Ounces with enough water to make 1 Gallon (474 mL with enough water to make 1 Liter) to make Stock Solution

CLEANING SOLUTION ADDITIVE RATES:

Ultra Pro: Add up to 2 Ounces of Stock Solution per Gallon of RTU Solution (59.1 mL per Liter)

DuoClene: Add up to 2 Ounces of Stock Solution per Gallon of RTU Solution (59.1 mL per Liter)

WallGlide Plus: Add up to 8 Ounces of Stock Solution per Gallon of RTU Solution (236.6 mL per Liter)
